The RRHS Baseball Booster Club depends on the active participation of its membership to assist in a variety of activities in support of the program. Numerous facility improvements, fundraising & other support activities will be conducted during the fall and will be ongoing throughout the course of the season. Please list any special skills you or a family member may have & would be willing to assist when that skill set may be needed. (For example: electrical, plumbing, welding, construction, accounting, legal, web development, etc.)
